A ten month payment plan will be set up unless the tuition is paid in full by August 15<sup>th</sup>. Tuition is payable between the first and tenth of each month. **The Board of Education reserves the right not to admit children back into school if tuition is significantly delinquent.** The operation of the Academy is dependent upon regular tuition income.

There are no discounts for vacation days or missed days such as for national disaster or pandemic.

An additional discount of \$200 per family per year is available to families who are members of Second Baptist Church. If a parent is a Pastor in full-time Christian service, a 10% tuition credit will be applied to a **full tuition** student.

We are responsible to be wise stewards of school resources and finances and oversight ensures we meet our obligations and provide excellence.

Scholarship awards are available to qualifying families. Scholarship applications may be obtained from the school office. Completed applications need to be received early in the enrollment process for review by the Finance Committee.

**Those families receiving scholarship assistance do not qualify for other tuition discounts.**

**Past year tuition accounts must be current before funds can be applied to the next year's account.  
A \$30 fee will be assessed to your account for checks returned due to insufficient funds.  
Credit Card payments are subject to a 2% charge due to costs incurred from these payments.**

**In addition to regular tuition payments, your help is needed in several other ways to see that NSCA remains financially stable. Fundraisers will be held throughout the school year in order to supplement tuition income. These events require parental support. You will be contacted regarding your involvement in these events. We also benefit greatly from donations from individuals who are burdened with the need for Christian education. Please make this a matter of prayer, and give as you are able. Also encourage your friends and relatives to have a part in this ministry.**

Every effort is made to keep tuition costs down each year. The increase this year reflects the rising costs for the Academy to meet our expenses. We rely on tuition, donations, and fundraisers to meet our budget. If God has abundantly blessed you financially, perhaps He would lead you to make a financial donation above your tuition to bless the school. All donations are tax deductible.

**After Care Costs: \$6.00 per child per hour (3:00-5:00 PM). Payable monthly (Note: Separate check please, indicating before or after care in memo section, or if included with tuition check, break down separate amounts, i.e. tuition, resource, insurance, after care, etc. in the memo section of the check so that we can properly credit your account.)**  
**Summer Care is only available for those who have paid their past school year regular tuition in full.**
