CUSTODY DOCUMENTATION

(If applicable)

The splitting of a family is traumatic for parents and particularly for students. Consequently, the focus of North Stonington Christian Academy is on the safety and well-being of young students, and our instituted policies are to further those goals.

At the time of enrollment, parents shall provide all relevant documents concerning custody or visitation of each student enrolled at North Stonington Christian Academy. Parents of enrolled students shall have an ongoing duty to provide any documents and information relevant to a change in custody or visitation rights to the school within seven days of change or at a time of reenrollment if the school has dismissed for summer break.

School Records. A noncustodial parent shall have the right to access school records related to his or her student unless prohibited by a legally binding statement.

Dismissal and Early Releases. No student shall be released to any individual other than a custodial parent unless express written permission is first given to North Stonington Christian Academy by a custodial parent or a valid legally binding instrument granting release is on file with the academy. All early dismissal requests shall go through the principal's office. A parent cannot ask the school to withhold release of his or her student to the other parent or parent's representative without a legally binding instrument.

Parent-Teacher Meetings. It is North Stonington Christian Academy's policy to provide separate parent-teacher meetings if the need arises and if the school is informed in a reasonable time.

School Communications. It is the custodial parent's duty to communicate with the noncustodial parent regarding school announcements and notes. North Stonington Christian Academy can voluntarily provide communications to the noncustodial parent by their request as long as a court order does not prohibit it.

- I have read and I am in agreement with the above policy and am providing the required documentation.

STATEMENT OF FAITH

OUR STATEMENT OF FAITH

The North Stonington Christian Academy shall always teach the fundamentals of the historic Christian faith upon which our Bible curriculum are also based and which include:

1. We believe in the plenary, verbal inspiration of the Bible as the only infallible authoritative Word of God, which is the supreme and final authority in faith and life.
2. We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
3. We believe in the deity of the Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood on the cross, in His bodily resurrection, in His ascension to the right hand of the Father where He intercedes as our High Priest and Advocate, and in His coming personal return in power and glory.
4. We believe that man was created in the image of God, that he fell into sin, and that because of sin he is spiritually dead, and thus separated from God.
5. We believe that salvation is by grace through faith, not as a result of works, and that all who receive the Lord Jesus Christ by faith are born again of the Holy Spirit, thereby becoming children of God.
6. We believe in the eternal security of the believer, that a person who is truly saved will never lose his salvation.
7. We believe in the resurrection of both the saved and lost—that the saved are saved unto the resurrection of life and that the lost are lost unto the resurrection of damnation.
8. We believe in the “blessed hope” which is the personal, imminent, pre-tribulational and pre-millennial coming of the Lord Jesus Christ for His church.
9. We believe that marriage was ordained by God at creation as the sacred union of one man and one woman. All sexual relations must therefore be reserved for that union. Christian marriage is a representation of Christ’s relationship to His church. We also believe that children are a blessing from the Lord. Thus, all human life is sacred and worthy of protection from the moment of conception.

STATEMENT OF PHILOSOPHY

The North Stonington Christian Academy is an extension of the ministry of Second Baptist Church, and adheres to the church's Statement of Faith. The Academy's purpose is to assist parents in the biblical command to train up their children in the way they should go (Proverbs 22:6; Deut. 6:6-7). Together, the parent, school, and church provide a Christ-centered education that is dependent on the premise that all areas of learning must be taught from a Christian perspective. The Bible provides the viewpoint for interpreting every subject and school activity. The educational process is seen as a channel used by the Holy Spirit to bring the student to a personal faith in Jesus Christ and to train him/her in godly living. The student will be taught biblical principles so he/she may understand God's plan for life spiritually, mentally, emotionally, physically, and socially.

The EDUCATIONAL PROGRAM of the Academy is designed to provide a quality education for students who meet the admission requirements.

The **FOUNDATIONAL OBJECTIVES** of North Stonington Christian Academy are:

- To lead each student to accept Jesus Christ as his/her personal Savior and Lord.
- To teach the Bible as the inspired, authoritative Word of God, and assist students to apply biblical principles to every aspect of life, leading them toward maturity in Christ (Colossians 1:28 & 29)
- To help each student develop a lifestyle that is distinctly Christian in thought and action.
- To encourage each student to strive for the highest academic achievement within his/her potential.
- To promote physical fitness, good health habits, and wise use of the body as the temple of God.
- To encourage positive self-esteem and instill a desire in each student to fully develop his/her unique God-given talents and interests.
- To instill within each student a love of country and appreciation of our American heritage, "one nation under God".

These events require parental support. You will be contacted regarding your involvement in these events. We also benefit greatly from donations from individuals who are burdened with the need for Christian education. Please make this a matter of prayer, and give as you are able. Also encourage your friends and relatives to have a part in this ministry.

Every effort is made to keep tuition costs down each year. The increase this year reflects the rising costs for the Academy to meet our expenses. We rely on tuition, donations, and fundraisers to meet our budget. If God has abundantly blessed you financially, perhaps He would lead you to make a financial donation above your tuition to bless the school. All donations are tax deductible.

After Care Costs: \$6.00 per child per hour (3:00-5:00 PM). NORTH STONINGTON CHRISTIAN ACADEMY

ACADEMIC INTEGRITY POLICY:

The issue of academic integrity is a spiritual, as well as an academic issue that applies to both students and teachers. Students at North Stonington Christian Academy are expected to demonstrate behavior consistent with the biblical character traits of honesty and trustworthiness in their educational endeavors. Violations of academic integrity misrepresent a student’s actual scholastic achievement and the grades they attain. Lack of academic integrity is seen in the specific areas of cheating and plagiarism. Webster’s Dictionary defines cheating as: “To act in a way that is not fair or honest to get what one wants.” Areas of cheating include copying homework, looking at another’s answers, passing answers to another student, or using a “cheat sheet” for tests or assignments. Plagiarism is defined as “to take ideas or writings from someone else and present them as one’s own.” This includes areas such as downloading a paper from the internet, copying and pasting sections of another’s work from the internet and passing them off as one’s own, not giving proper citation for the text, pictures, video, music or other forms of communication in research projects and papers, or hiring another student to write a paper or do an assignment. All instances of cheating and plagiarism will not be tolerated at North Stonington Christian Academy by students, teachers or staff. Teachers at NSCA will review this policy with their class(es) so that students understand the expectations and penalties. Teachers are responsible to use care in their choice of resources and to observe copyright laws. Parents are responsible to stress the importance of honesty to their children and to reinforce the spirit of this policy in the home environment. Students in grades 7-12 must sign the Student Conduct Covenant yearly to indicate their agreement to the NSCA Academic Integrity Policy in addition to other policies. Students who are found guilty of violating NSCA’s Academic Integrity Policy will be penalized as follows:

- 1st Offense:** Automatic zero on assignment involved, parental contact by teacher or administration, written documentation of the offense to be kept on file in the office.
- 2nd Offense:** Automatic zero on assignment involved, parental contact by teacher or administration, written documentation of the offense to be kept in student’s permanent file, immediate two-day out-of-school suspension.
- 3rd Offense:** Above penalties and possible expulsion from the school (to be determined by administration).

I agree I have read and will submit to the above policy.

Discipline

Our staff shall show respect for all children at all times, and shall not use abusive, neglectful, corporal, humiliating, or frightening punishment under any circumstances.

When a child's behavior is disruptive or rude, the staff will remind the child of the limits and rules of respect we all are to follow, and the child's responsibility to the others in the environment. The child will be assisted in gaining self-discipline by guidance to proper activities and by helping the child in his/her social interaction. A child will be removed from the group (to a visible location) only when he or she is unable to interact with others and needs a "time out" to regain control of his/her self before reasoning and conflict resolution can take place. A child will be physically restrained only when it is necessary to protect the health and safety of the child, other children, staff, or property. Classroom rules are posted for your review. Prayer and forgiveness are part of discipline at NSCA.

Dear Parents,

Please sign, date and return to the secretary to be included in your child's file. This form is required by the State of Connecticut to be included in every child's file.

Thank you for your prompt return.

Mrs. Wilkinson

Subject: Documentation of receipt of Handbook containing policies and discussion with the Director about discipline procedures to be implemented in the North Stonington Christian Academy Pre-K Program.

Parents, please sign below to acknowledge that this took place at the time of your child's enrollment in our program. This form is a new State of Connecticut Dept. of Public Health requirement in addition to the signed parent agreement you submitted at enrollment.

Thank you for your cooperation. Please see me with any questions.

DRESS CODE FOR STUDENTS

The community and general public often judge the quality of education by the behavior, appearance, and activities of its student body. The results of one's dress, appearance, and behavior usually go far beyond the individual student. Overall, the attire and grooming of individual students at North Stonington Christian Academy are the responsibility of the students and their parents. There are, however, general principles of good taste and modesty, which should be observed.

Students' overall appearance should fall within the accepted definitions of neatness and cleanliness. Generally, the students are expected to dress and groom themselves for the business of school so as to neither distract other students or teachers, disrupt the education process, nor pose a health or safety threat to anyone. Clothing should be clean, untorn, and free from reference to drugs, alcohol, tobacco, and offensive signs, symbols, or words.

The following clothing styles are not acceptable at North Stonington Christian Academy:

1. Black-soled shoes, boots, or sneakers, which mark the floor. Shoes with imbedded wheels are not allowed. All shoes should have a secure strap.
2. See-through styles and/or mesh style shirts, halters, tank top, and bathing suits. Shirts should cover the stomach when hands and arms are raised above the head.
3. Tee shirts with any offensive logos or writing. This includes any cigarette, alcohol, or drug advertisements.
4. The wearing of jackets or coats worn as outerwear in the classroom.
5. Sweatbands, gloves, hats, caps, or scarves except those worn pursuant to established religious custom.
6. Shorts and skirts are appropriate if they are no shorter than fingertip length when arms are hanging down at the side. Shorts and pants should be secure at the waist, not sagging.

Physical Education classes are held once weekly and all students are expected to wear safe athletic shoes and proper clothing for indoor or outdoor activities.

The intent of this policy is to encourage all concerned to dress, groom and conduct themselves in keeping with an atmosphere, which reflects sensitivity and respect for self, others, and the overall functions at the school.

Parents of students whose dress or grooming is judged by the staff to be distracting, disruptive, or dangerous to personal safety will be contacted, and in some cases required to bring in a change of clothes before their child is allowed to attend class.

Please sign the form below and return it to your child's homeroom teacher.
